# ECUADOR WELCOME GUIDE

"DO NOTHING OUT OF RIVALRY OR CONCEIT, BUT IN HUMILITY CONSIDER OTHERS AS MORE IMPORTANT THAN YOURSELVES. EVERYONE SHOULD LOOK OUT NOT ONLY FOR HIS OWN INTEREST BUT ALSO FOR THE INTERESTS OF OTHERS."

PHILIPPIANS 2:3-4 ESV

# SHORT-TERM MISSIONS GUIDE

A place where forgotten, lost and thrown away people are being transformed by Christ's love every day. Come and be part of the larger Church movement happening in Latin America. Inca Link is focused on reaching the 300 million youth in Latin America with Christ's irresistible love. We do this through discipleship and evangelism, training leaders, connecting people, and compassion ministries. We are devoted to serving the least of these and we need your help!

### ONE GOAL: GLORIFY GOD

Why did Jesus Christ care for and love people? To be a witness of the glory of God. The entirety of our trip from planning and preparation, to being on the field, and ultimately to returning home for post-field growth needs to be solely and centrally focused on the Glory of God. Everything else will be a by-product of that- how you grow, to the glory of God; the good works that had been done, to the glory of God; the people who heard the good news of the Gospel, to the glory of God; the impact on our sending church, to the glory of God. All that we do needs to be focused on and pointing to that end.

# MINISTRY OPPORTUNITIES: QUITO

DAY CARE PROGRAMS Our day care programs will give you an opportunity to connect with children! Your goal is to love these kids like Christ loves them and encourage them to live for Christ. There are many different day care programs you could serve, including: programs for kids with special needs, after-school programs for at-risk street kids.

casa Elizabeth Casa Elizabeth exists to provide a safe transition home for teenage girls who find themselves in a crisis pregnancy. Teams can serve Casa Elizabeth by inviting some of the girls to come and minister alongside the team in the other ministry areas. Also, teams may choose to bless the home with needed repairs (painting, etc) or by helping to stock the closets with diapers, baby and maternity clothes and other supplies.

CUMBRE ALTA Casa Deportiva Cumbre Alta is a sports club with the vision to become the most successful and biggest club in Ecuador, South America and the world, using sports as a vehicle to share Christ. Teams will have the opportunity to meet the team, scrimmage the team, and hold sports clinics for the youth in Quito.

**EL HORMIGUERO** The Ant Hill is a local garbage dump recycling project aimed at providing a fair trade for recyclables, serving the community with basic needs, educational opportunities and dignity while sharing the incredible love of Christ.

**CHURCH PARTNERSHIPS** Your team will be serving the local indigenous churches in and around Quito. If you are given a construction project while in Quito, it will likely come out of a need from a local church/local church family!

## MINISTRY OPPORTUNITIES: MANTA & PORTOVIEJO

Your team will be located in either Portoviejo or Manta.

#### MANTA:

BONSAI PROGRAM In Manta, your primary ministry will be partnering with Bonsai, an after-school program for children of at-risk families. Bonsai provides childcare, food, tutoring and homework help, Bible devotions, games, creative expression, and social activities for participating children.

BONSAI CREATIVE SUPPORT PROJECT In addition to serving the students of Bonsai, your team will get to participate in a creative support project that the staff of Bonsai has identified as a need for their community. Examples of this include light construction, running a community outreach program, or painting a partner church.

#### **PORTOVIEJO:**

GARBAGE DUMP MINISTRY 7.8 Is a ministry of Inca Link that focuses on the children that live near the garbage dump. Currently we have 38 kids involved in the program ranging from 3-12 years old. As participants of this program they receive food three times a week, participate in Bible lessons, and receive tutoring help with reading and writing.

HOSPITAL MINISTRY There may be an opportunity for your team to serve in the hospital in Portoviejo. The connection with the local hospital and willing volunteers has created opportunities for the local church to minister within the hospital.

SPORTS MINISTRY In Portoviejo there is a soccer ministry. This soccer ministry uses sports as a vehicle to share Christ.

Depending on the timing of your trip, you may get to help out with a practice or even a tournament!

CHURCH PARTNERSHIPS At both locations, your team will be serving the local churches in and around the coast of Ecuador. If you are given a construction project, it will likely come out of a need from a local church/local church family!

### 1 1 MINISTRY OPPORTUNITIES: NINAWACHI

Ninawachi's mission is to train indigenous youth to be missionaries, send them out to the forgotten people throughout the jungle regions to make disciples in these communities and connect them to the body of Christ.

Ninawachi's vision is to reach out to the forgotten and impoverished jungle communities of Latin America with the love of Christ.

Teams going to Ninawachi will have the opportunity to come alongside Ninawachi staff, students and graduates and assist them in their ongoing work. This work includes construction, vacation Bible school, home visits, agriculture, soccer ministries, outreaches, etc. and can be located at several ongoing ministry sites throughout the Ecuadorian jungle.

### **PREPARING**

### FOR YOUR TRIP

#### WHAT VACCINATIONS/MEDICATIONS DO WE NEED?

We strongly recommend that all short-termers have Covid-19, Hepatitis A and B, and up-to-date Tetanus vaccines. We recommend if you are not staying in the city of Quito that you get Yellow Fever vaccination, but this is not required. We highly recommend bringing some sort of stomach/diarrhea medicine.

\*Inca Link has recommended that pregnant woman should not participate in trips this year due to the danger of the Zika virus. We're sorry if this causes any inconveniences for your team.

### WILL WE NEED TO PREPARE A CHILDREN'S PROGRAM?

We recommend that your team be prepared for a children's program or VBS. The team will be responsible for providing curriculum and all materials needed to do the program, including: crafts, prizes, etc. There are several opportunities to serve children like at the garbage dump, orphanages, schools, churches, soccer camps, etc. It is always appreciated to have the teams lead music, skits and games. We encourage your team to learn some songs in Spanish. If dramas or skits are used, please make sure they are in Spanish. Be as creative as you would like. This also is a great team building activity as you prepare for your trip!

### Important to remember for you children's programs:

Your team will be responsible for providing curriculum and all materials needed to do the program, including: crafts, prizes, etc. The best crafts and activities that teams have done in the past are things that the kids can keep and use. An example of this is one team made pillows with the kids, and another team brought individual chalkboards. Also please make the program specific to an age range, if teens in North America don't want to do the craft, more than likely our teens will feel the same.

### Notes:

A Covid Vaccine is not currently required by Ecuador's Government, however this may change.

Due to Covid-19 concerns, Inca Link Ecuador will not be able to permit participants with lung conditions to serve in 2022.

### **PACKING**

#### PLANNING ON WHAT TO BRING

WHAT IS THE WEATHER LIKE? We recommend checking the weather before you arrive. If the team stays in Quito, the weather may be warm and sunny (highs in the 80's) during the day and cool in the evenings (lows in the high 50's). Manta, Portoviejo and Ninawachi are much hotter.

**IS THERE A DRESS CODE?** People in Ecuador are more conservative than in North America. To be effective in ministry, we want to respect our Ecuadorian brothers and sisters while in their country by striving to imitate their dress customs. Ninawachi has a special dress policy.

### Women:

- -Anything is acceptable to wear to church except shorts or flip-flops.
- -Sweatshirts or warm jacket is recommended for the cool evenings.
- -Wear protective clothing on work sites. You will also need at least one pair of work jeans (to wear multiple times).

#### Men:

- -Guys must wear pants or jeans to church. No shorts or flip-flops.
- -Sweatshirts or warm jacket is recommended for the cool evenings.
- -Wear protective clothing on work sites.

### Packing List

Work clothes-(old jeans/ old t-shirts) Church outfit Warm jacket Toiletries Hand Sanitizer Face Masks Bible Iournal Reusable water bottle Work gloves Closed toed work shoes (tennis shoes are fine) Shower shoes Sunscreen Camera (optional) Hat Personal Medications **Passport** 

\*You DO NOT need to bring pillows, bedding or towels (those will all be provided)

### TRAVEL

#### PREPARING FOR THE JOURNEY

**WHAT AIRPORT SHOULD WE FLY INTO?** You will need to fly into Quito, Ecuador (UIO).

**DO WE NEED A VISA?** You will only need a valid passport to enter Ecuador. Your passport must be valid for at least 6 months from your departure date, or the airlines will not allow you to fly out. You do not need to apply for a visa before coming down. Once you arrive in Ecuador, you will be given a tourist visa for 30-90 days for free.

WHAT SHOULD I EXPECT UPON ARRIVAL? Someone with Inca Link apparel will be at the airport to pick you up. If we are not there, do not walk outside. We will be there shortly. Feel free to contact anyone on the list that was provided for you.

**WHAT ARE THE LIVING ACCOMMODATIONS?** These will vary based on location, but most will include bunk style beds.

### Notes:

Currently a negative
Covid-19 test is
required to enter
Ecuador if not
vaccinated for Covid19.

### 15 FREQUENTLY ASKED QUESTIONS:

WHAT WILL THE MEALS BE LIKE? Meals are prepared with the utmost care. You will have opportunities to try food that is typical to Ecuador, but also food that you recognize and will enjoy. If you have any dietary restrictions please inform us before you arrive in South America so that we can be as prepared as possible for your arrival.

WILL THERE BE SNACKS TO PURCHASE? We recommend that you bring snacks from home (to leave with the missionaries), but we also recommend you be ready to try new and different snacks from Ecuador.

**IS THERE A WAY TO CONTACT HOME?** Internet is available at some locations, but not all. We encourage you to "unplug" while serving. (Note: Contacting home is available if there is an emergency.)

**ARE THE ELECTRICAL OUTLETS THE SAME?** Yes, the outlets are the same as they are in North America.

**IS THERE AN AGE REQUIREMENT?** We encourage family mission experiences! Children 12 years old and younger must be accompanied by a parent on the team.

WHAT TYPE OF CURRENCY IS USED IN ECUADOR? Ecuador uses the United States dollar. You will want to bring clean cash (not torn and no markings). Smaller bills (\$20 or less) are required. Credit and Debit cards are accepted, but you will usually find a small international fee for using it. We do not recommend checks, travelers' checks or money orders, because they are very difficult to use! Ecuador uses the US dollar, so if you are coming from the US, you do not have to exchange your money.

### WHAT ITEMS CAN WE BRING TO DONATE?

Email info@incalink.org for an updated wish list from each ministry.

# VOLUNTEER/TEAM SAFETY, SECURITY & RESILIENCY

This information applies to Inca Link staff, interns and other short-term volunteers. Whether traveling with a team or alone, it is crucial to prepare properly and follow the following procedures to make your time as productive as possible.

### **Passports and Visas**

You need a valid passport good for at least six months after your planned return trip.

Do not pack your passport in your luggage; you will need it during your travel. More than likely, the country you are visiting will not require you to obtain a visa. Instead, your immigration form will act as your visa.

Make two copies of your passport: one to carry with you at all times and one for another team member to keep.

You should also have at least two blank pages in your passport. Some countries will not allow you to enter without two blank pages.

### **Immigration and Customs**

You'll first need to clear immigration by speaking with immigration officials. Have your passport, visa or tourist card ready (if applicable).

Consult your team leader for how to answer these questions:

- What is the purpose of your trip?
- How long will you be staying?
- Where will you be staying?

Answer questions honestly, but do not offer additional information. The immigration officer will stamp your passport and return it to you along with your immigration form. **Immediately fold your immigration form and place it in your passport. You must have it to depart most countries.** 

Proceed to the baggage area to collect your luggage.

#### **Customs**

Before departing the airport, you'll need to clear customs. If you are asked any questions, answer them with a smile. Answer all questions but do not offer additional information.

Your luggage could be selected for inspection. Do so graciously knowing airport personnel are doing their jobs. If you are asked questions, answer in English. You are responsible to know the contents of your luggage and why you are bringing them into the country.

# VOLUNTEER/TEAM SAFETY, SECURITY & RESILIENCY

### **Traveling As A Group**

- Thoroughly read your group's trip manual and all communications sent by your leader.
- Listen to your leaders and follow their instructions.
- Stay together as a group unless your leader gives you permission. If you must leave the group, let others know where you are going.
- Stay in groups of 3 or 4.
- Respect airport security and never make jokes about bombs or terrorist activities.
- Never leave your luggage unattended.
- Know where your travel documents are at all times.
- Remain aware of those around you.
- Don't count money in public or leave valuables exposed.

### Watchperson

We recommend groups designate an individual as the team's "watchperson". This person reports to and assists the team leader by making sure the group observes security protocols. Using a watchperson does not absolve the need for every person to follow safety protocols.

- The watchperson helps by doing head counts to make sure the group remains intact.
- The watchperson helps observe team luggage, backpacks, etc.
- The watchperson observes other people not with the group for possible ill intent.

### **Traveling Alone**

When traveling alone it is important to prepare in advance, anticipate obstacles and delays, and share your itinerary with your host(s). Many rules for traveling as a group apply.

- Keep the phone numbers of your host/supervisor handy so you can communicate problems.
- Stay in public spaces and do not go with individuals alone.
- Upon clearing customs, only depart the airport with your host.

### **Best Practices While Traveling**

- Learn the latest luggage requirements of the carriers you will be flying.
- Don't pack tools in your carry-on luggage. They may be mistaken for weapons.
- Use a unique identification mark (ribbon, etc.) to help find your luggage quickly.
- Use an address other than your home address on your luggage tag for security purposes.
- Dress conservatively. Don't wear shirts/hats with wording that could be inflammatory.
- Avoid discussing politics or sharing personal information about your home, finances, etc.
- Avoid confrontations. Remain calm and allow group leaders to resolve conflicts.
- Allow your local host/team leader to represent you while in-country to avoid cultural mistakes.

## 18 VOLUNTEER/TEAM SAFETY, SECURITY & RESILIENCY

### **In-country travel reminders**

- Bring passports and other documents you may need if stopped by authorities.
- Do not post your itinerary or exact destination on social media.
- Be selective in the photos and updates that you post.
- As you reach each travel stop, designate a secure meeting spot and make sure all team members can identify it in the event your team becomes separated.
- Prepare your team with the proper responses to questions asked at immigration and customs.
- Make sure all team members have a backup copy of their passport and visa (if required).
- Go through security, baggage and other checkpoints together.
- Remind your team you are guests in another country and are subject to their laws and customs and need to observe them. Be humble, gracious and inconspicuous.
- Make sure each team member has a written copy of the name and address of your in-country host, and the team leader's contact information.
- If an unplanned event does occur in a foreign country, even if it appears to be minor, document and share it with your host in case it becomes an issue later in your trip.

#### **Evacuation**

In the event an evacuation of a team or interns is called for, evacuees must follow the direction of the Inca Link International Coordinators and Resident Director to evacuate, as directed. Teams and Interns will assume the expense of the evacuation transport/flights, which may or may not be covered by their travel insurance. Teams/interns may need to be placed on separate evacuation flights, based on the seats available. All evacuation needs/plans will be coordinated through the Inca Link staff as designated.
